Membership Application

I am pleased to announce that the committee has formulated plans which allow for the continued sustainable growth of the club into the future. One of the important changes is to the membership, instead of being a subscribed or 'paying' membership, we run an associate membership. This means that you apply to become a member of the ROSGC and once accepted enjoy all of the benefits that this brings, but there is no annual charge.

Your membership to the **ROSGC** means your details are registered so that you can easily check in on shoot days, you will have access to the clubs meeting minutes, financial statement and can have an input to the meeting agendas. As a member you will also be able to access the members only area of the web site where all of this information can be downloaded. You will also be able to enter the clubs competitions and register to help set-up the shoots.

Members can volunteer to help set-up and pack away the equipment on each shoot. All members who wish to assist will be placed on a rota and will have equal opportunity to set-up. Setting-up will have the benefit of no charge to shoot on that day.

We plan to increase the attendance at the shoot by offering improved facilities which we intend to introduce through the year. The profit the club makes will be re-invested in new layouts and equipment to offer more choice and disciplines for our members.

Finally, please complete the application form return to a committee member, who will need to check your license and insurance expiry dates.

Best Regards

Paul Lasance Secretary ROSGC

Telephone (Home)	
Telephone (Mobile)	
Email Address	

Shotgun Cert No		Expires on	
Insurance Provider			
Policy Number		Expires on	

Please Note

All members should make themselves aware of, and adhere to, the clubs constitution and rules. The club cannot be held responsible for any loss or damage to property or vehicles whatsoever.

The club requires you to be responsible for your own insurance.

The use of suitable hearing protection and eye protection is strongly recommended.

All guns are to be kept in a slip when not in use.

Guns are to be broken or have a visibly open chamber when you are not in a stand.

I have read the above information and declare that the details I have provided are true and correct.
